C-COM will provide the standard export shipping documents (Commercial Invoice - CI, Export Declaration - B13 and Packing List - PL) required to ship our products out of Canada. These documents do not include Certified Certificates of Origins, Certified Chamber of Commerce or Embassy Documents, Notarized Documents or any other foreign government agency certified documents. A flat fee of \$500.00 will be invoiced for preparation of any additional documents required by the customer. Charges levied by lawyers, government agencies, embassies etc. to complete these additional documents required by specific countries will be in addition to this fee, as well as any carrier charges incurred in shipping these documents for certification to and from C-COM.
